MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Deputy Director (Support)

SUBJECT: Survey of Major Overseas Training Activities

25X1A
1. The Office of Training has been assigned certain responsibilities for the conduct of training [REDACTED] and other current overseas training activities. It is providing varying degrees of support to training activities conducted at various CIA installations in Europe, the Middle East and the Far East. A further responsibility of the Office of Training is that of analysis, approval, coordination, and preparation of appropriate Cold and Hot War training plans.

2. In order that the Office of Training may properly discharge its functional responsibility and provide technical guidance and support needed by these current overseas training activities, the Office of Training requires firsthand knowledge of their operation, administration and support requirements. It also needs direct consultation with the field to obtain information essential for effective planning for future training activities and facilities.

3. Permission is therefore requested for the Director of Training and for [REDACTED] formerly FI Training Officer and Chairman, Clandestine Services Training Committee, now a member of the Office of Training Plans and Policy Staff responsible for the coordination of DD/P training plans within the Office of Training, to proceed to such places as are pertinent, in order to make an on-the-spot survey and review of major overseas training activities and requirements. To 1:

Dick, you will notice that the DD/P is "info" on this communication to the DCI through the DD/S. I would, however, like to have your informal concurrence before sending it formally to the DD/S, and therefore will hold up the request until you have had a chance to read it and give me a phone call as to your reactions.
